

CATALINAGEO

3 Minute Makeover

The concept to give a client a makeover that only takes 3 minutes to apply & should be the final step after a treatment, facial, brow wax, lip wax, etc.

You don't need to be able to match up a foundation shade or even how to apply eye shadow. It's so easy to offer a makeover in just 3 minutes!

The Catalina Geo 3 minute makeover uses only 3 products to create the new season look. It's as easy as 1.2.3!

1. **Lipsets or Lip Liquid** 1 minute
2. **Face Touch Blusher** 1 minute
3. **Long & Deep Mascara** 1 minute

You will need to have a Tester of:

Lipsets - 1 brown shade and 1 pink shade

Lip Liquid - 1 brown shade and 1 pink shade

Face Touch Blusher - 1 medium browns #8 and 1 medium pinks #7

Long and Deep Mascara - use the refill

Disposable lip brushes, disposable lip gloss applicators, disposable mascara wands, cotton balls (for applying blusher) and **cotton buds** for any oops!

These should be housed in a basket or small tray to be kept together.

STEP 1

- ▶ Ask the client what shade of Lipsets she likes to wear? Pink or Brown? Lipsets or Lip Liquid? (This makes it as easy as you don't have to be a colour expert and work it out for her!!!)

STEP 2

- ▶ If she has selected a pink shade Lipsets or Lip Liquid, you will apply Face Touch Blusher Medium Pink #7.
- ▶ If she has selected a brown shade Lipsets or Lip Liquid, you will apply Face Touch Blusher Medium Brown #8.

STEP 3

- ▶ Apply Mascara for fullness and volume to the lashes.
