

STEP 1

Put small amount of Capsule Essence Base "Blue" on dark circles under eyes, blend and allow to dry.

STEP 2

Dab small amount of Capsule Essence Base "Violet" on blemishes and allow to dry.

STEP 3

Apply Skin Cover No 21 Light Beige with sponge.

STEP 4

Apply Face Up Powder No 21 Light Beige with powder brush.

STEP 5

Apply eyeshadow compact No 8 Purple Collection as follows:

- Apply lightest shade all over lid as a base.
- Apply mid shade over lower section of lid.
- Apply darkest shade on lower lid (socket) and outer corner, keeping inside corner of eye lighter. This effect of working from lighter to darker will draw the eyes out and extend the eye, creating a smokey, sultry look.
- Apply darkest shade under the eye.
- With a thin "wet" brush apply darker colour to top of lid in a fine line as eyeliner.

STEP 6

Apply Long and Deep Mascara top and bottom and apply brow makeup No 1 a little heavier for evening look.

STEP 7

Apply Face Touch No 7 – Medium Pinks blusher, with blusher brush. Use lighter colour on the cheek bone, darker colour to contour - and don't forget a little under the chin.

Evening Look

STEP 8

LIPS

- Apply Lip pencil No 40 to define the lips and shade lightly to blend.
- Using a lip brush apply Lipset No 312 in Cookie Beige.
- Using a lip brush apply middle colour of Lip Gloss compact all over lips. ■
