

Mature day look

Step 1: Gently sponge a light initial layer of Fisso Foundation No 26, Vanilla Beige, across face, neck and décolletage.

Step 2: Apply a second layer of Fisso Foundation No 26, Vanilla Beige to achieve a more lasting coverage.

Step 3: Finish with a light dusting of Face Up Powder No 25, Dark Beige.

Step 4: Brush a dry layer of light Soft Eye Shadow Pallet No 1, Browns, across upper eye lids.

Step 5: Enhance natural eye contours and create a youthful look by applying a darker, wet layer on the corners of the upper eye lids using Soft Eye Shadow Pallet No 1, Browns.

Step 6: Accentuate the finish using wet eye shadow as a liner on both top and bottom lids.

Step 7: Finish eyes with an application of Catalina Geo Long and Deep Mascara in black.

Step 8: Highlight cheekbones with a flush of colour using Face Touch No 8, Medium Browns.

Step 9: Define lips with a light outline of No 20 lip pencil and fill with Geo Lipset No 52, Rose Coffee.

Mature evening look in three easy steps

For a swift transition from day to night here are a few simple steps to transform a conservative day look into an after-five knockout.

Step 1: Central to the evening look are the eyes, so enhance the upper corners of eye lids with Soft Eye Shadow Pallet No 14, Camel Brown, wet look metallic eye shadow.

Step 2: Use a small brush and Brow Make Up Compact No 2 (dark) for more dramatic evening eyes and a neat brow look.

Step 3: Finish your look with No 40 Lip Liner pencil and Lipset No 42, Nakita Wine, for a glamorous evening glow.
